

**REMARKS**

The application contains claims 1-27 and 35-46. Claims 28-34 stand rejected by the Examiner under 35 U.S.C. 102(e) as being anticipated by Campana, Jr. (U.S. Patent No 6,272,190). These claims are cancelled herewith to further the application to allowance.

Applicant reserves the right to file a continuation application at a later stage to further the prosecution of these deleted claims.

An allowance of the claims is respectfully awaited. In the event that the Examiner believes that there are problems which would make it impossible to issue an allowance for all the claims, the Examiner is respectfully requested to call the undersigned at 1 (877) 428-5468, which is a US toll free number connected directly to our office in Israel (please note the 7 hour time difference and the official work week is from Sunday to Thursday).

Respectfully submitted,  
Doron RAJWAN, et al.

A handwritten signature in black ink, appearing to read 'Maier Fenster', is written over a horizontal line.
